

Flow

Streamlining your creative process so you can pursue your passions

Comprehensive Home screen

Simple Idea board

Map for each project

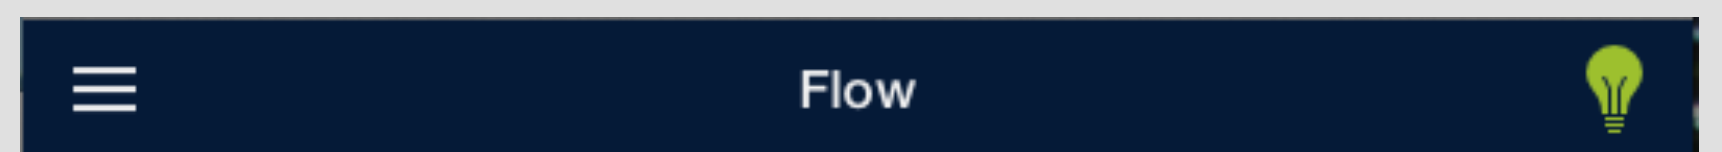

Overview

Flow aspires to motivate the amateur creator to finally finish their project by making it easy for them to:

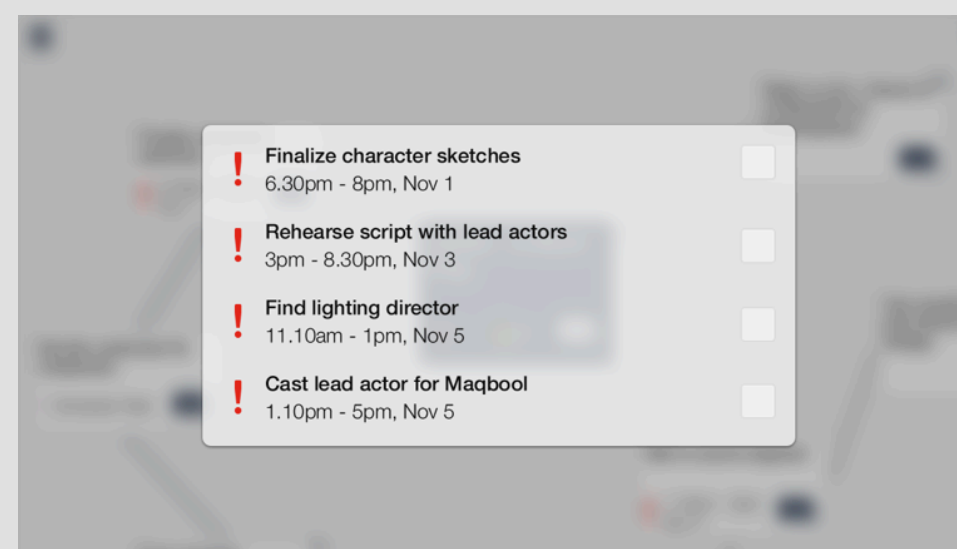

- capture their inspiration
- organize their workflow
- get valuable feedback.

Our Solution

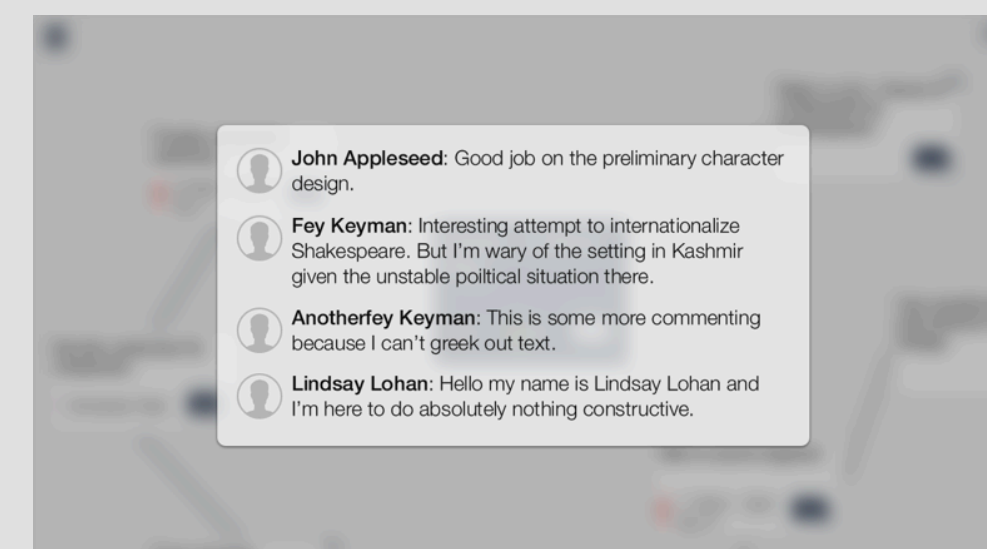

- Interactive organizational map for each project
- Quick and dirty idea board for capturing inspiration on the go
- Self-imposed and community-enforced deadlines
- Streamlined mechanisms for receiving feedback on project milestones

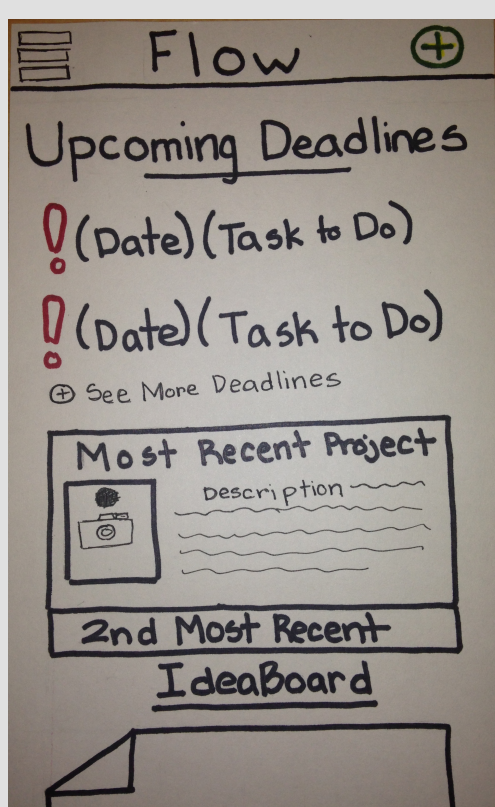

Add inspiration to idea board anywhere in app
