CS147 10/24/14

Overview

Talk-aloud method + coding answers

UI changes convergent
(even over 3 Ss.)

Mission Statement

kindergarten is on a quest to make learning and teaching in college **as easy as kindergarten.**

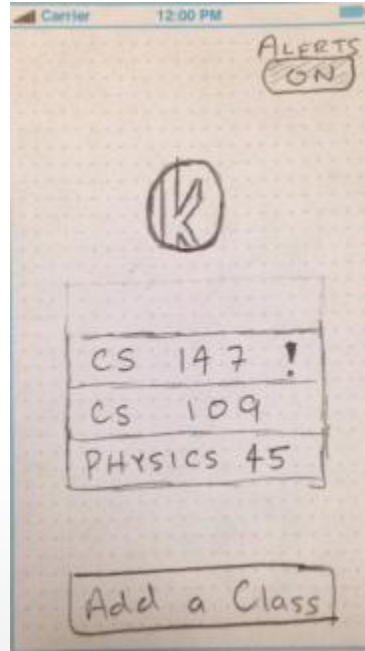

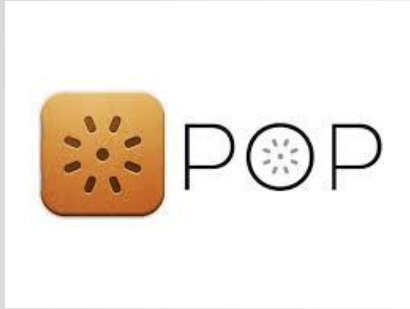

Representative Tasks

Take a quiz, submit the answer

Sign up for office hours

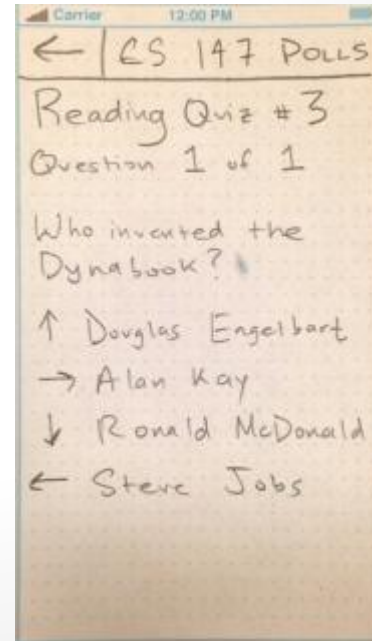

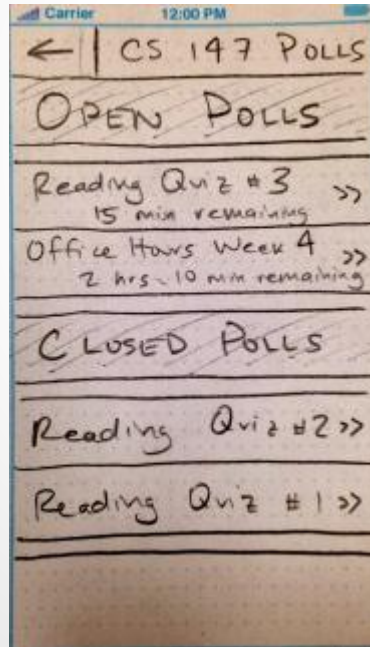

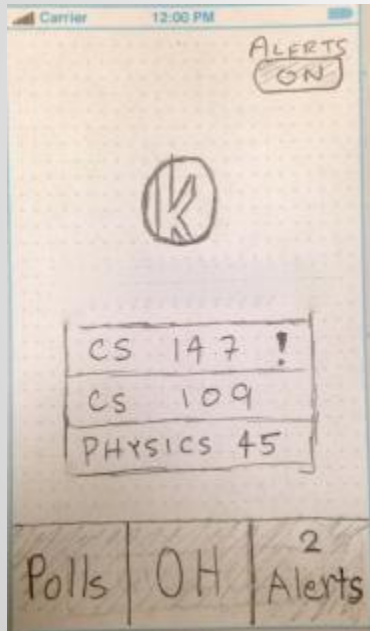

Fill out a poll to give instructor feedback

Lo-Fi Prototype

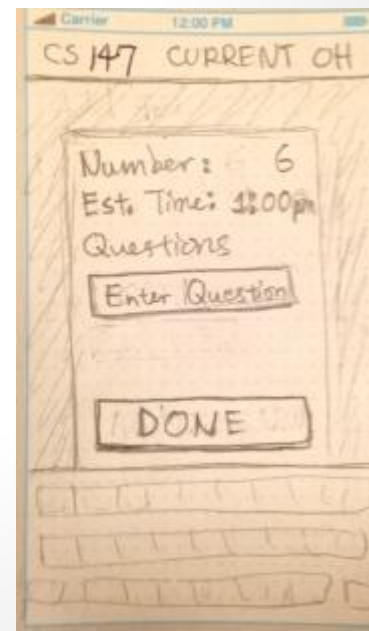

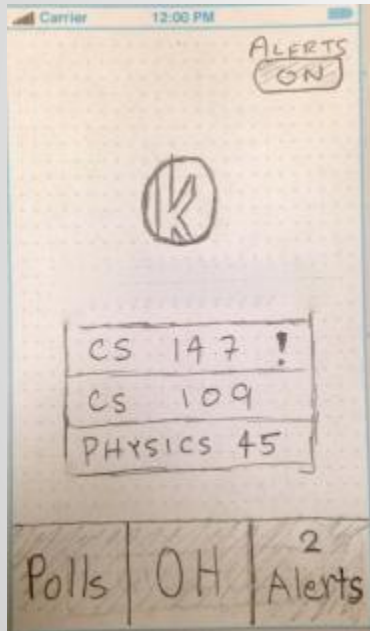

Task 1

Take a quiz, submit the answer

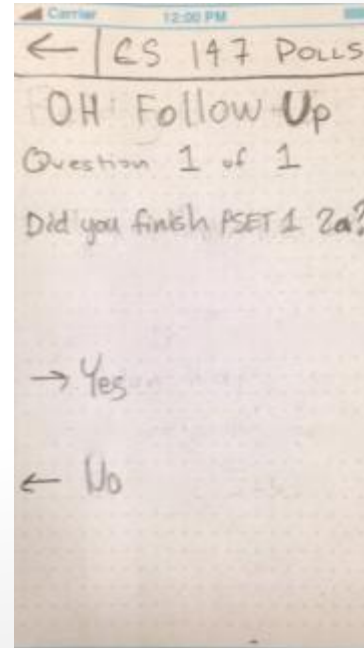

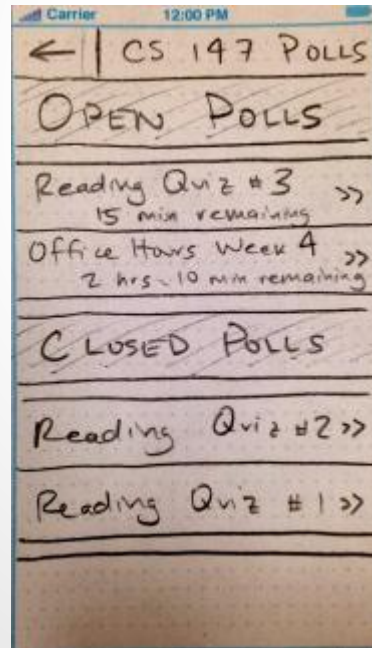

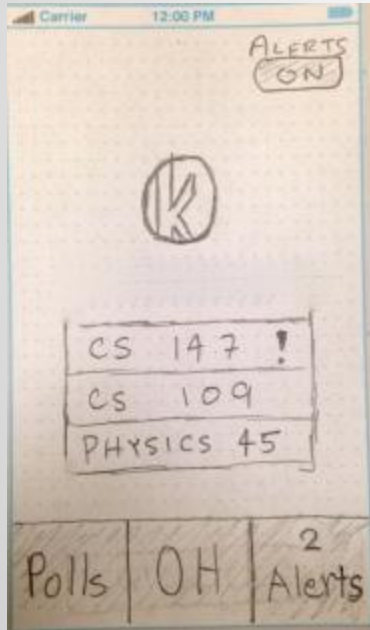

Task 2

Sign up for office hours

Task 3

Fill out a poll to give instructor feedback

Experimental Method

Participants

Environment

Tasks

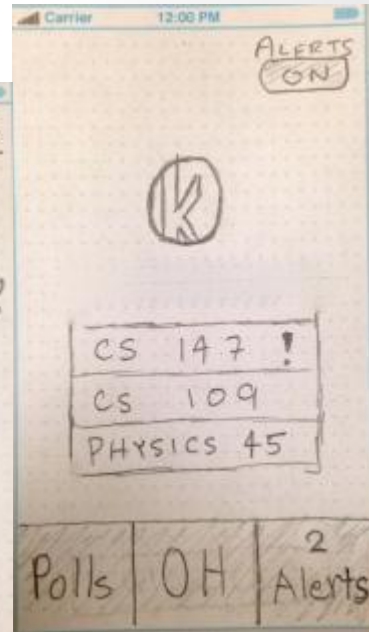

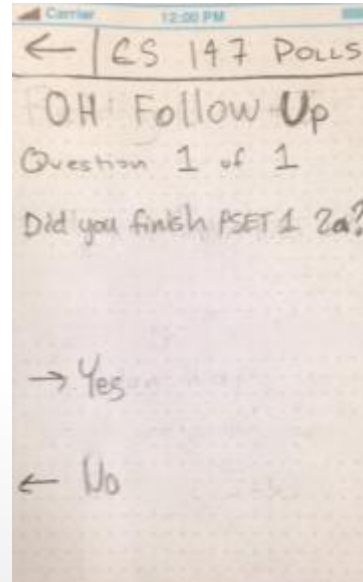

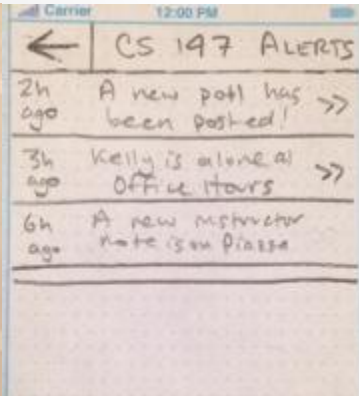

Procedure

Test Measures

Results

3 subjects, 3 tasks

Totals: 5x(1), 8x(2), 1x(3), 1x(4)

Suggested UI Changes

- Clicking on arrows (2x)
- Home button problems (3x)
- Office Hours / OH, Poll / Quiz
- Having to indicate question for OH

Conclusion

Problems with UI are very convergent
