

# Chapter

Discover locally curated activities for a location and document personal memories

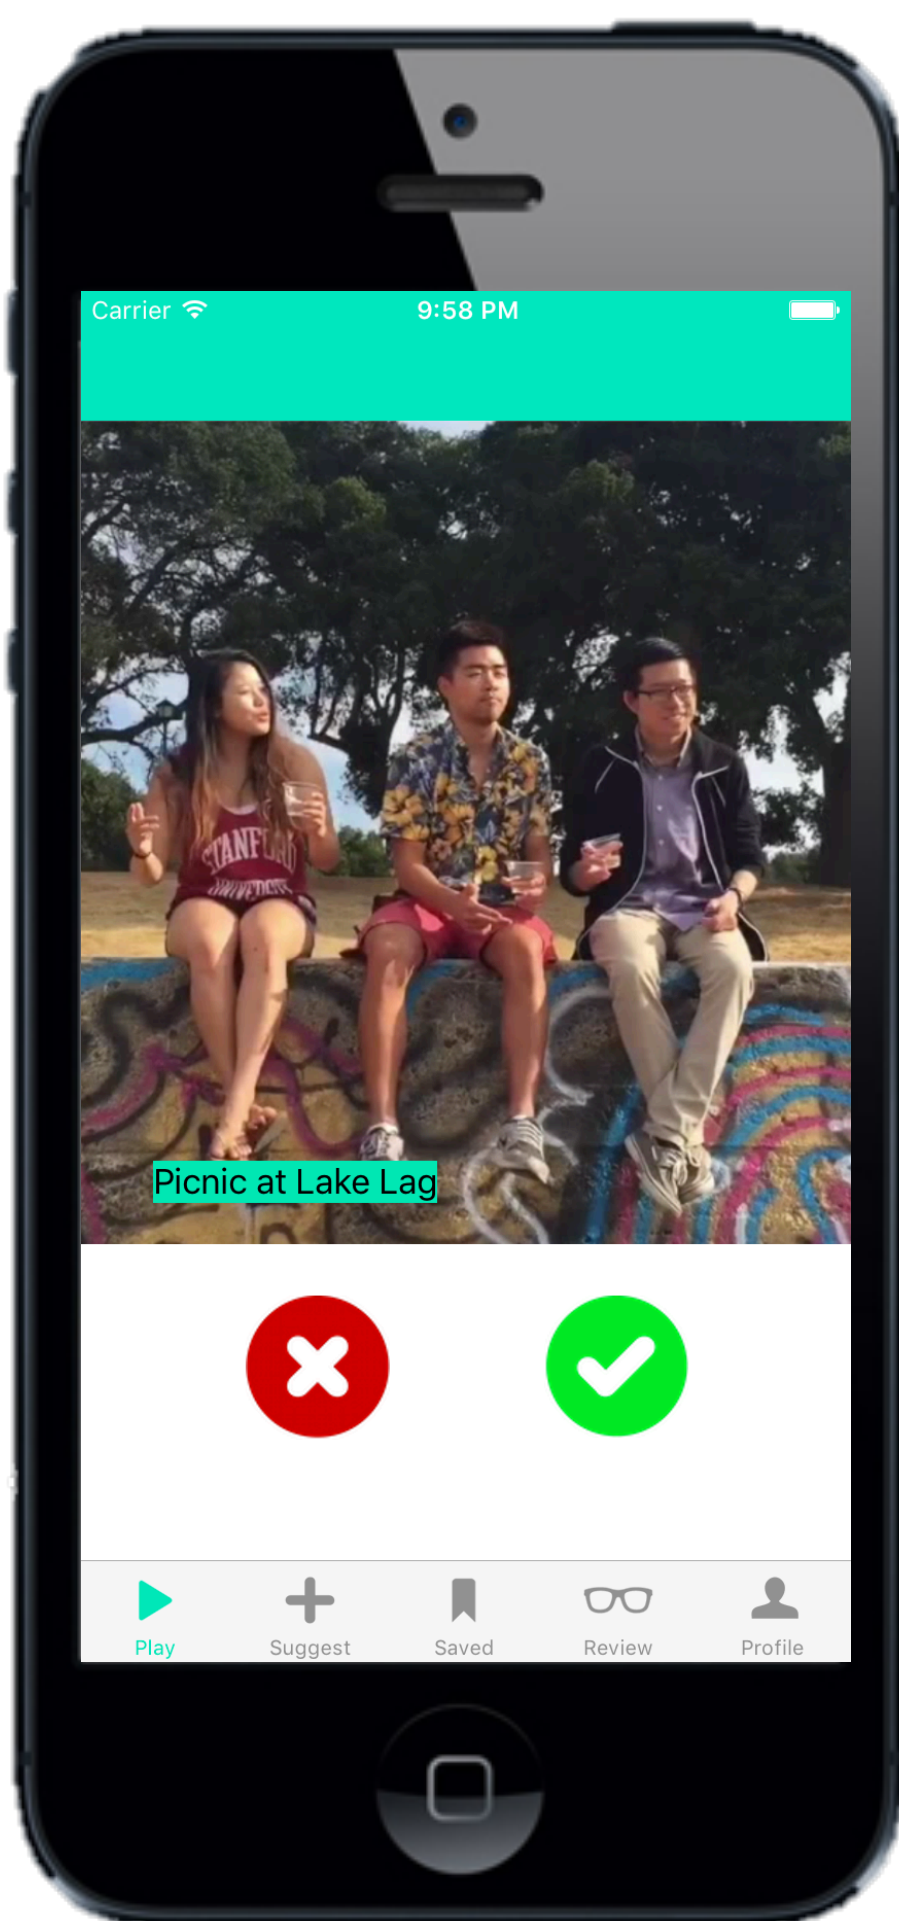

How can people reliably find fun and exciting activities to do no matter where they are?

Chapter provides locally crowdsourced activities and allows users to document and share those experiences

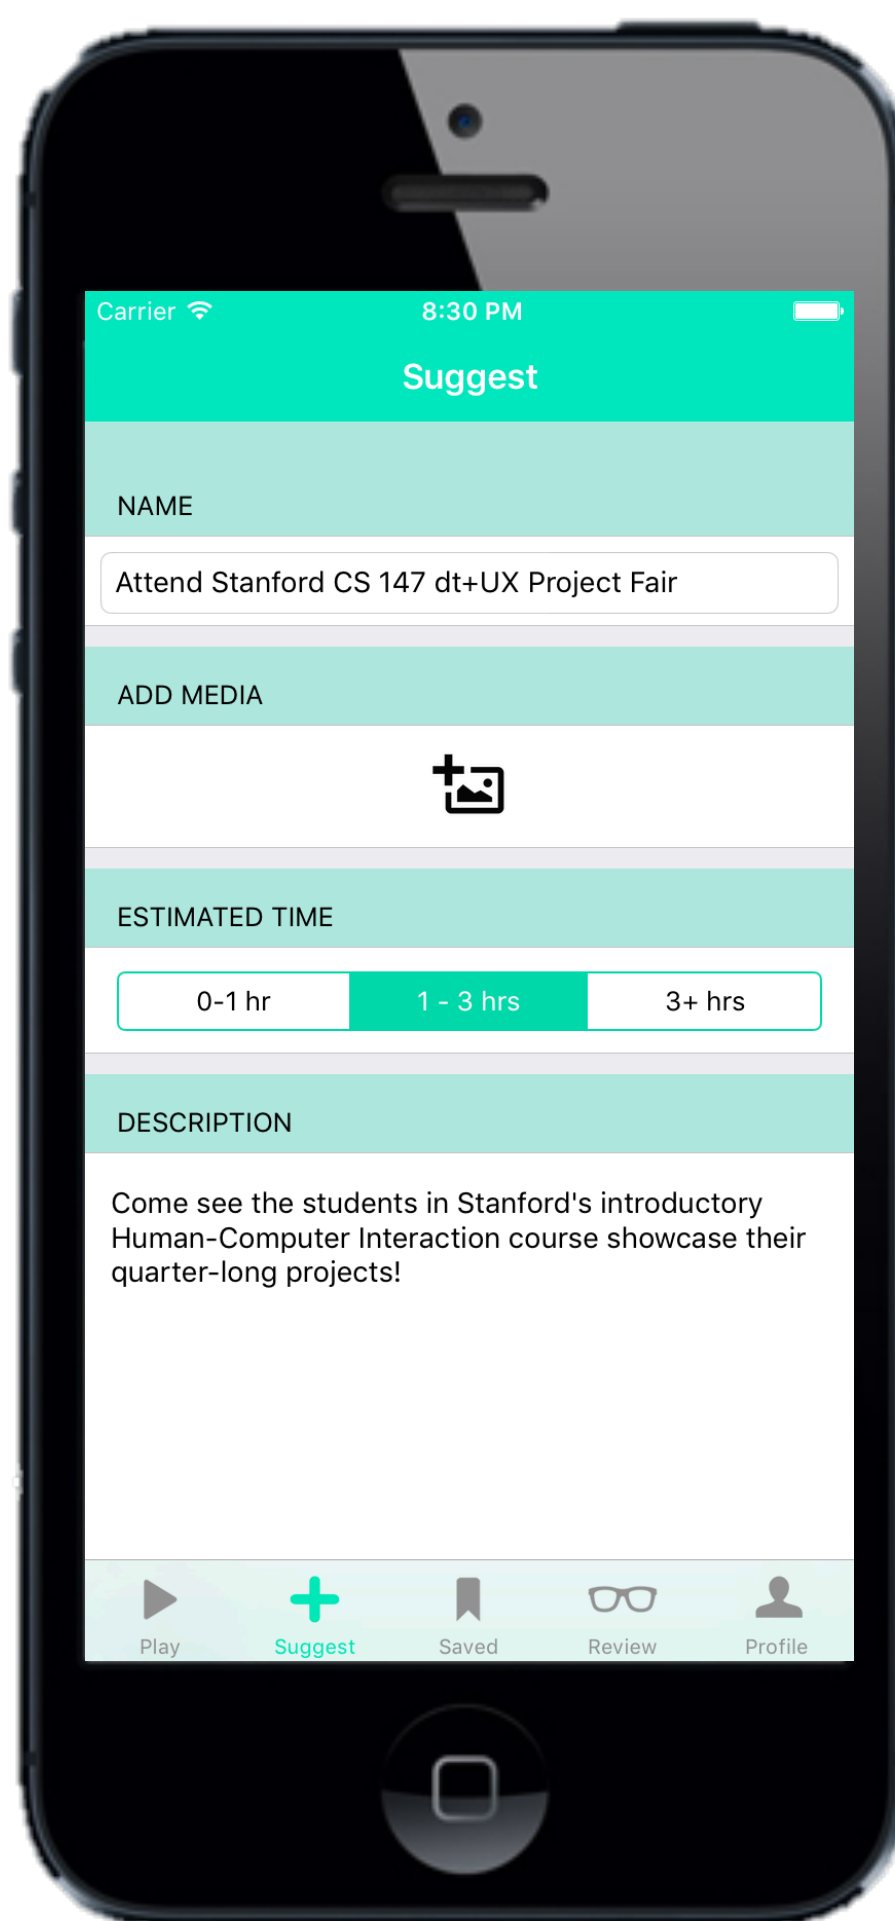

## ► Play

Whether in a new or familiar area, find exciting activities suggested by locals

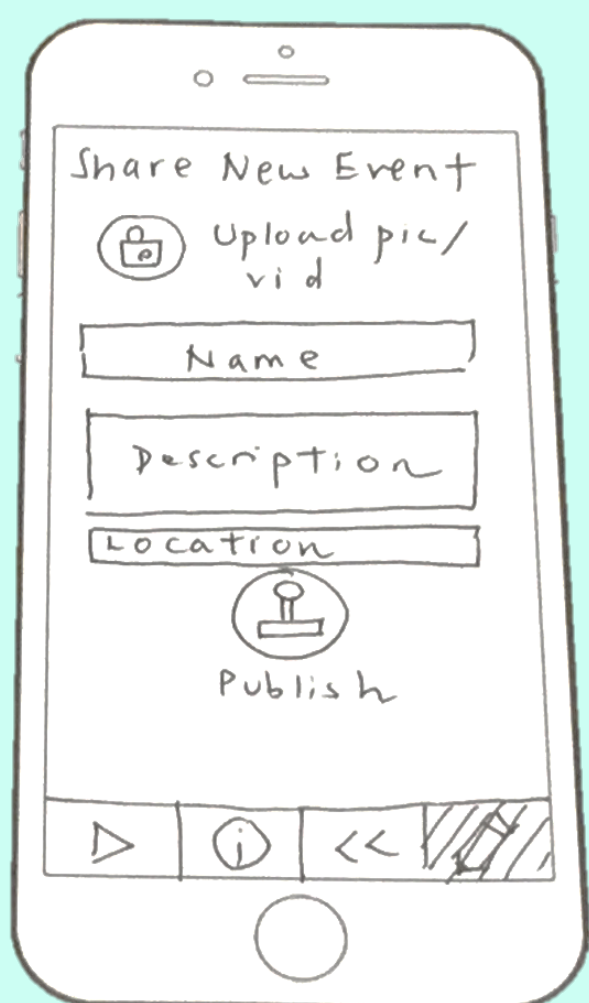

## + Suggest

Recommend your own favorite activities that others can enjoy

## 🕶 Review

Share the memories you made with people you care about

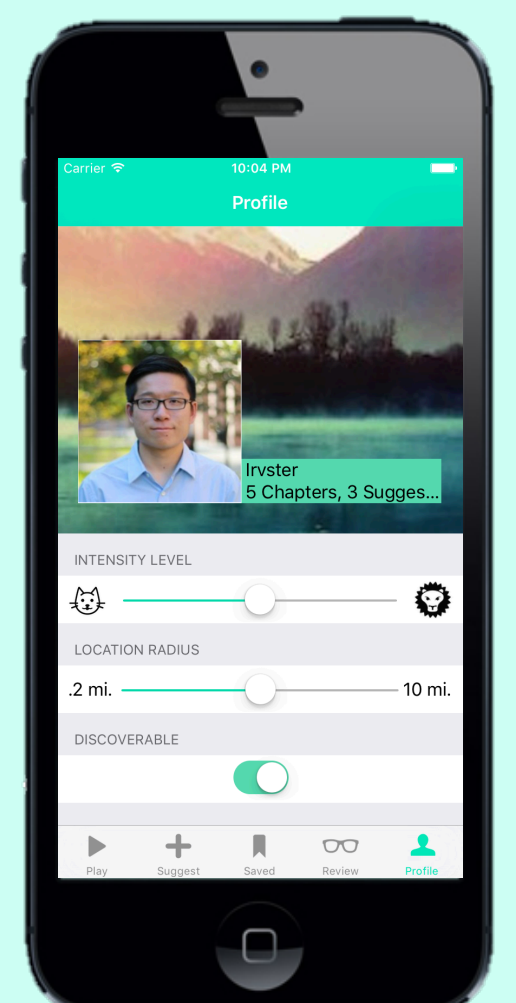

Low Fidelity

- Differentiate "Sharing Activity" vs. "Doing Activity"
- New "Suggest Activity" icon
- Making scrolling intuitive

Medium Fidelity

- Add more intuitive icons
- Change color scheme (Red/Purple → Teal)
- Change activity UI (Swiping → X or ✓)

High Fidelity
