

teamwork makes the *dream* work

Connecting people of *diverse skillsets* to accomplish one *dream*...

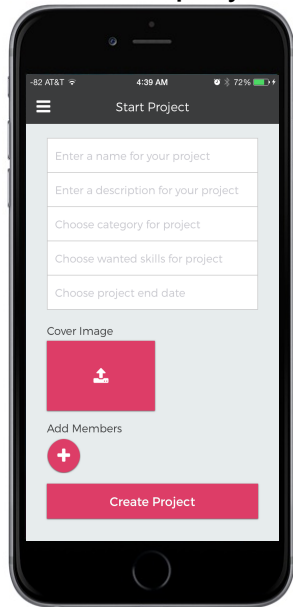

Have a project idea, but not the necessary *skills* and *manpower*?

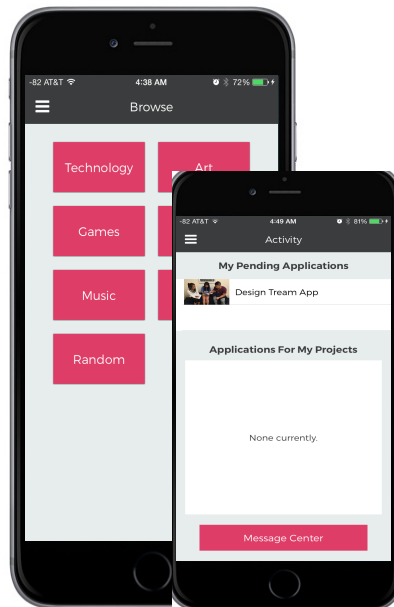

Hire individuals from across the world to join the *team*.

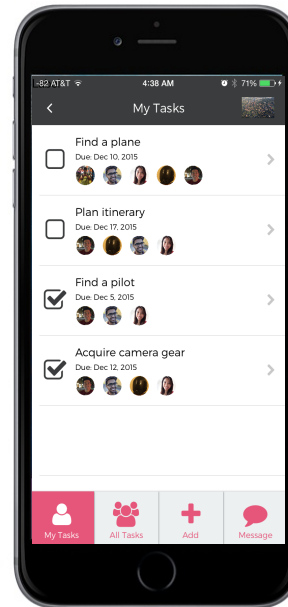

Be Innovative & Create a project

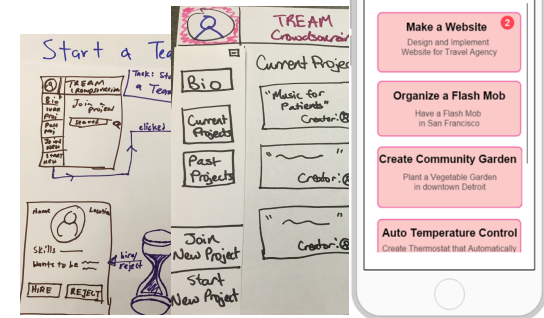

Browse project categories & Apply to join projects

Delegate tasks & Communicate as a team

Design Iteration

Concept sketching of task flows

Low-fi paper prototype

Medium-fi proto.io prototype

Discovery: Needfinding to ideating to exploring solutions

Iteration: Through all stages, we **tested on users** and **modified tasks** to be intuitive and **user-friendly**.
