docket Assignment 6: Medium-fi Prototyping

Irene Hsu, Ke Xu, Jessica Zhang

docket: "Bringing ideas to life"

For people of all demographics and career paths, the bustle of everyday life leaves little time and energy for personal side projects.

docket is a public platform that tracks the progress of projects and allows users to support one another's projects for inspiration and motivation. Through documentation and social interaction, **docket** aims to keep users accountable for the success of their own and of others' projects.

Task 1: Follow inspiring projects (medium)

Originally

Users come to look for inspiration.

Task 2: Add a public quicknote (complex)

Originally

Users document their projects.

Task 3: Look over project page (simple)

Originally

Users motivate themselves

Major Design Change 1: Simplified feed

One "explore" page with a mix of followed & suggested projects -Smart algorithm will compile feed based on onboarding preferences -Make the inspiration stage less confusing

(after)

Major Design Change 2: Simplified social interactions

One action for social interaction: FOLLOW PROJECT

- -Decrease the focus on stats
- -Make social interaction less confusing

Major Design Change 3: Simplified navigation

(before)

(after)

And 'tis not hard, I think, For men so old as we to keep the peace. Paris: Of honorable reckoning are you both. And pity 'tis you lived at odds so long. But now, my lord, what say you to my suit? Capulet: But saying o'er what I have said before. My child is yet a stranger in the world. She hath not seen the change of fourteen years. beethoven MOONLIGHT SONATA First Movement This is a description for the First Movement.
