

# HelpList

## Anonymous Asking, Ranking & Answering Questions in College Lectures

Andrés Camperi Santos Hernandez Minmin Hou

### Our solution:

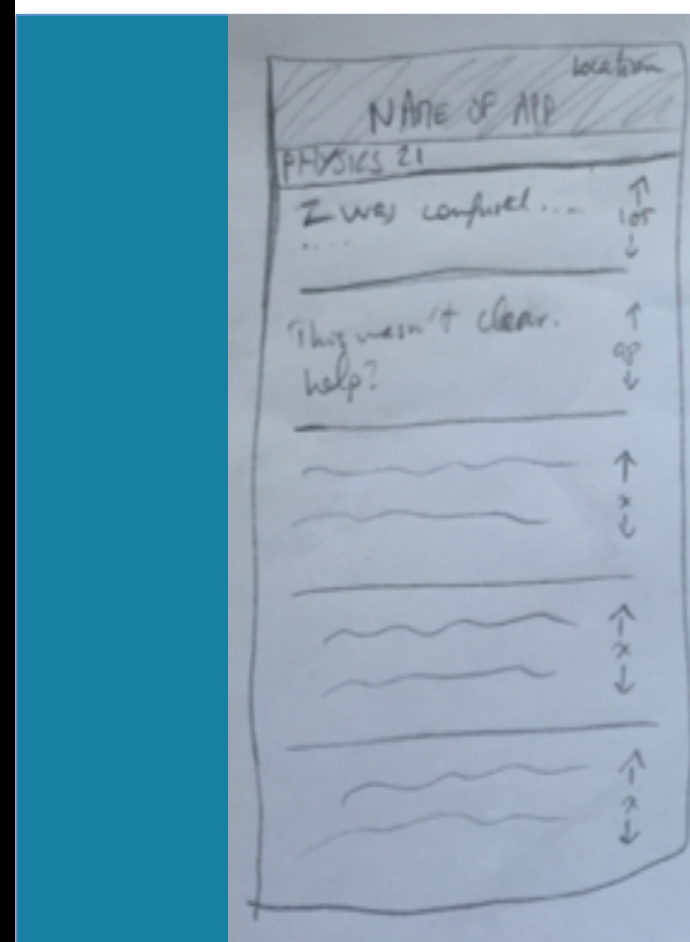

- Anonymous platform to ask and answer questions
- Rank questions based on relevance
- Get questions answered on the spot
- Easily search through old questions

## Design Iterations

### Design Process:

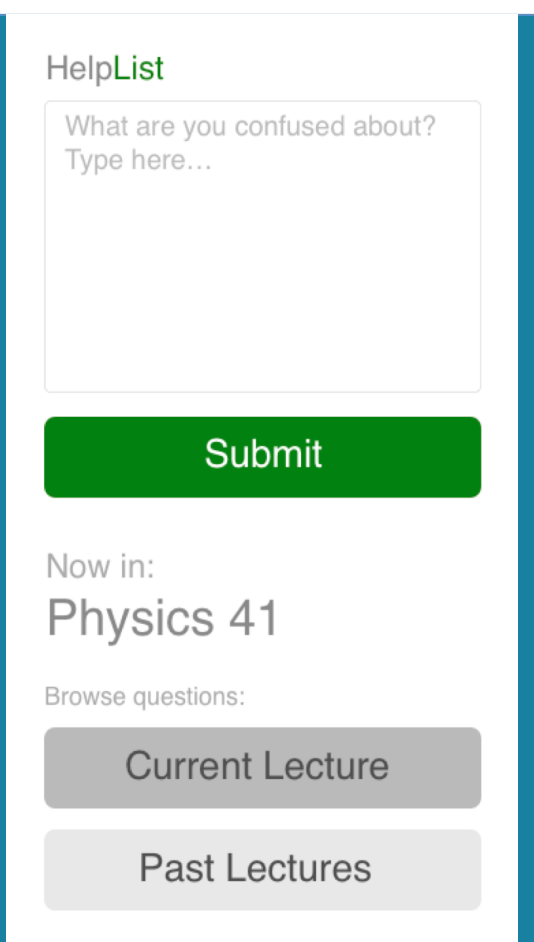

- Needfinding interviews
- Concept sketches
- Low-fi prototype to work out task flows
- Medium-fi prototype to refine flows and define user interface

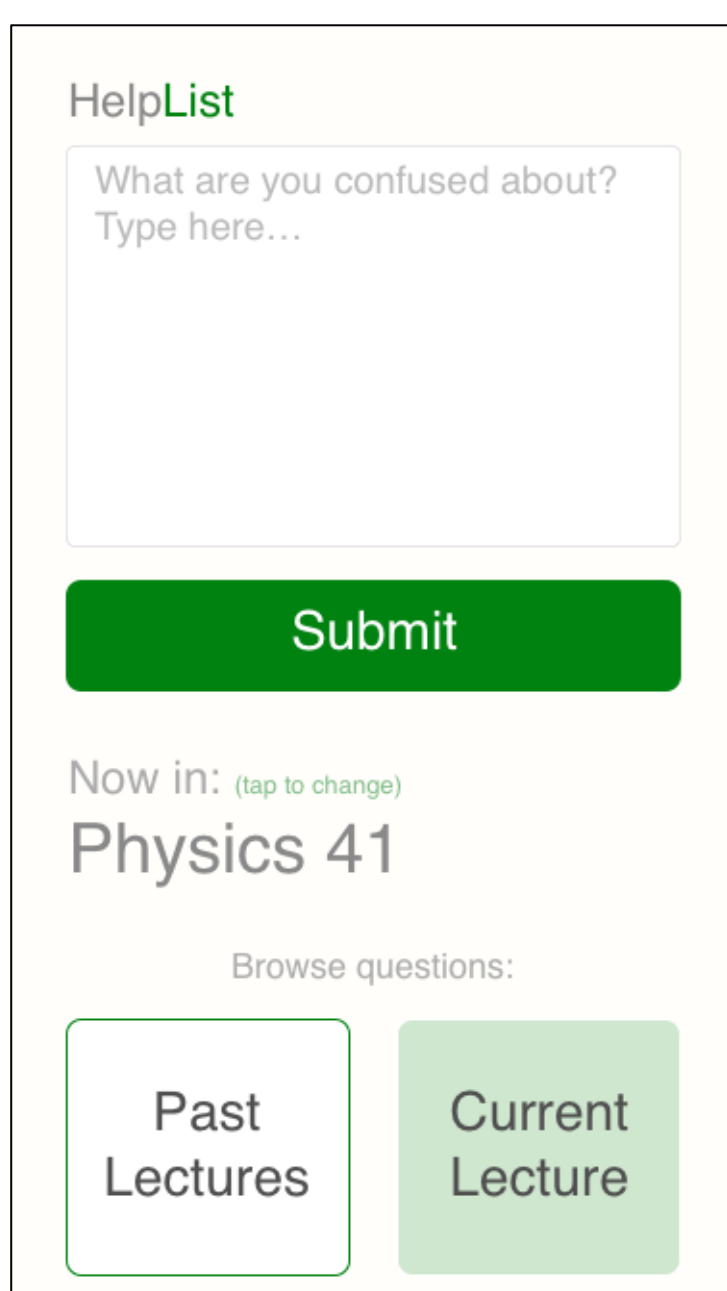

Concept sketch

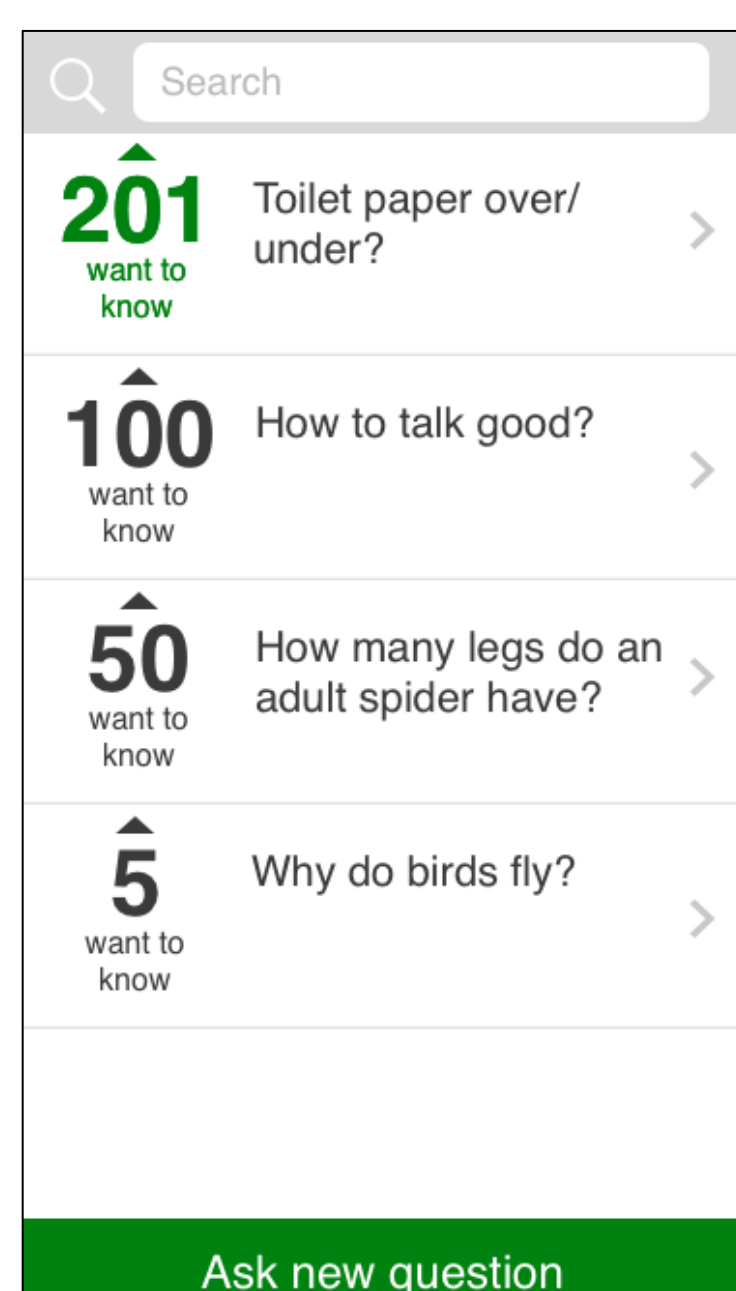

Low-Fi paper prototype

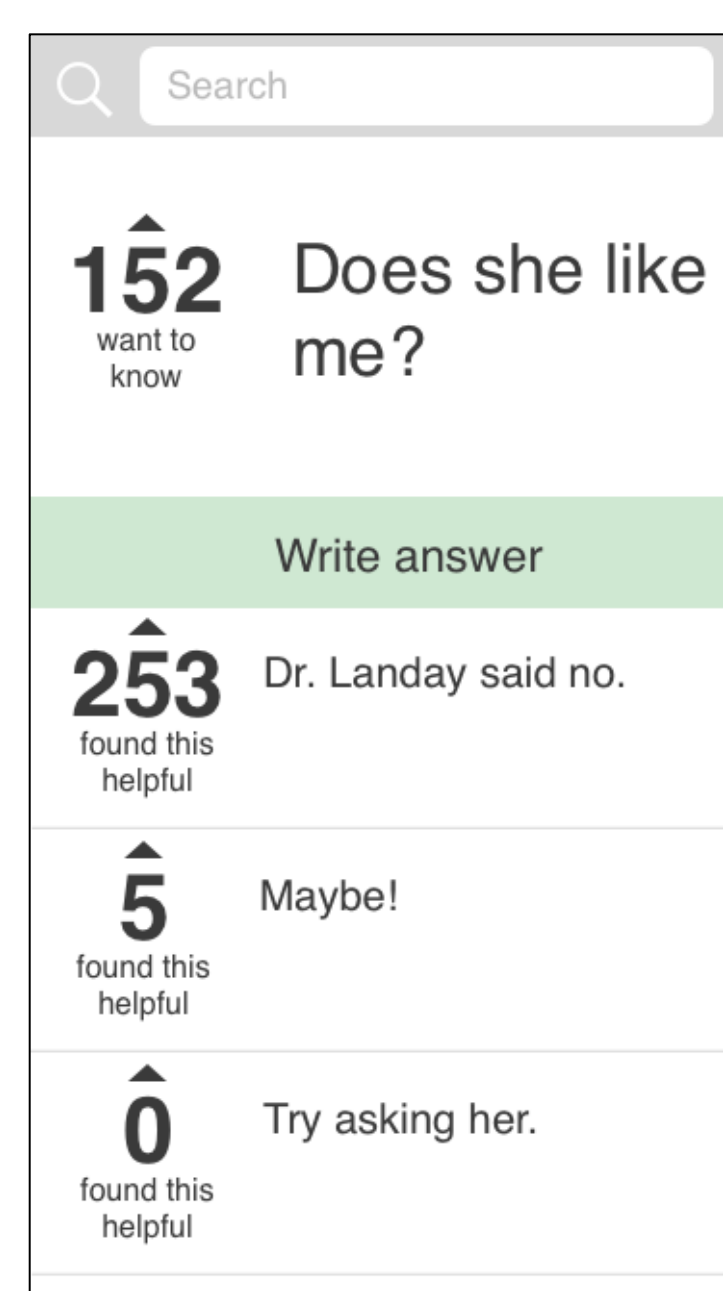

Medium-Fi prototype
