

grow together.

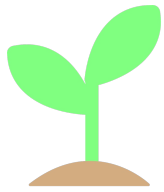

Cheenar Banerjee, Travis Geis, Guhan Venkataraman, Max Wolff

Problem: It's hard to find ways to help your community, and connect with like-minded people

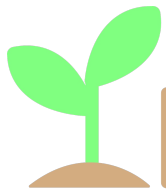

Grow Community Together

Solution: Bring people together through shared work that benefits the community

Tasks

1. **Meet new people** in your community (*complex*)
2. **Find ways to help** in your community (*moderate*)
3. **Document and visualize** impact/progress (*simple*)
