

**Share your vision.  
Get your shot.**

Photographers have  
intricate ideas.  
Conveying them is hard.

Right now, we talk. But we  
could be using...

Text

Pictures

Color  
Palettes

Music

Movies

Movement

...all in an immersive AR  
experience.

TASKS

# Convey your settings and your features.

simple task

# Convey color - palette, weight, perspective.

# Convey mood and scale.

Be understood.
