music  
education  
one step at a time

**Music practice** can be unfocused, filled with self-doubt, lonely, and disconnected from your goals and dreams.

***half step*** helps you climb higher by providing bite-sized tasks, near-peer support, and progress tracking.

**simple**

visualize new music learning goal

**medium**

view your progress toward goal

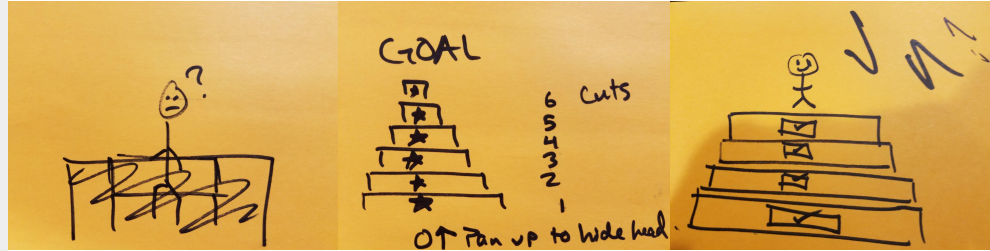

**complex**

find someone on the same step  
to meet and learn with
