

Skillet

Become the Top Chef!

Revolutionizing cooking education by providing a **fun** and **competitive** atmosphere for all levels of learners to **thrive**.

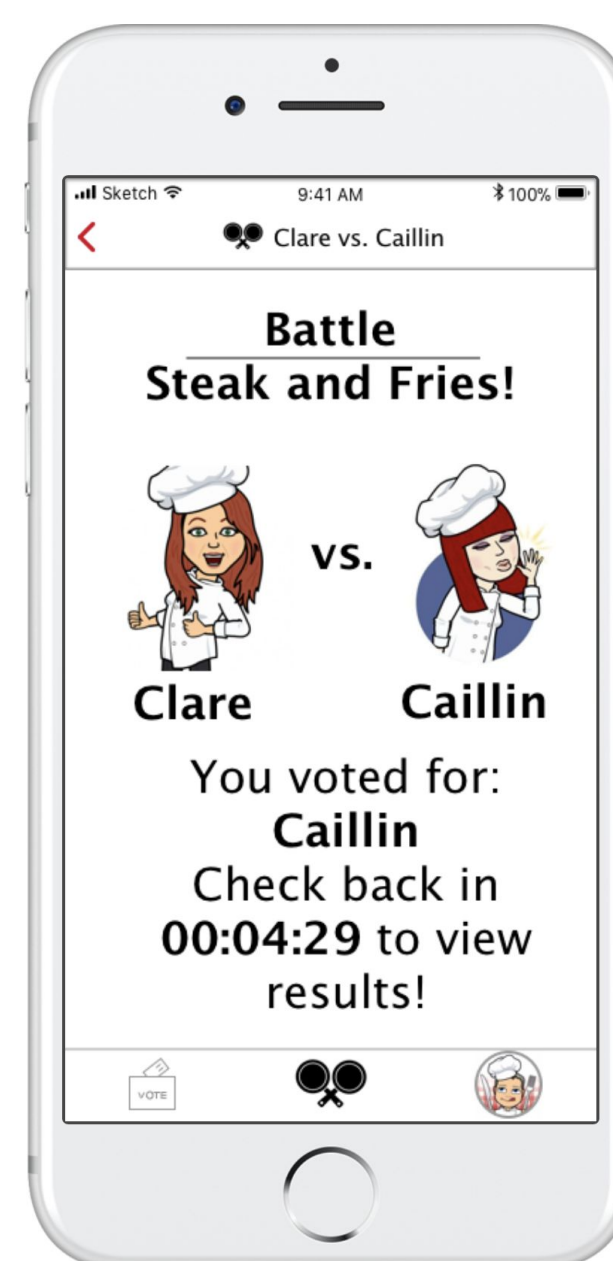

Problem and Solution:

Learning to cook can be unengaging, socially isolating, and challenging to many, especially beginners. Skillet is our solution to provide a fun way to engage in cooking with friends through friendly competition.

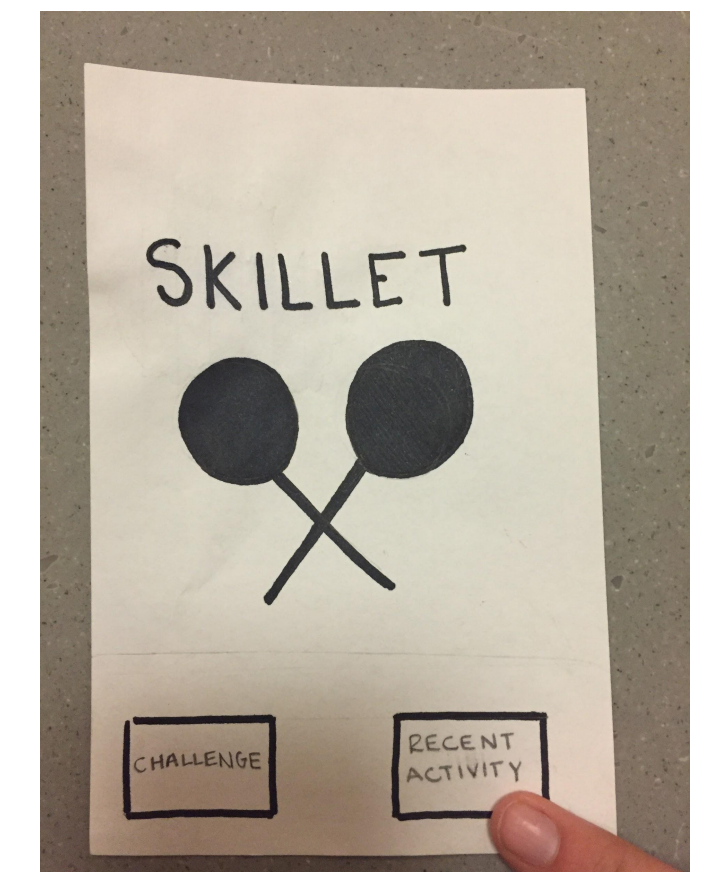

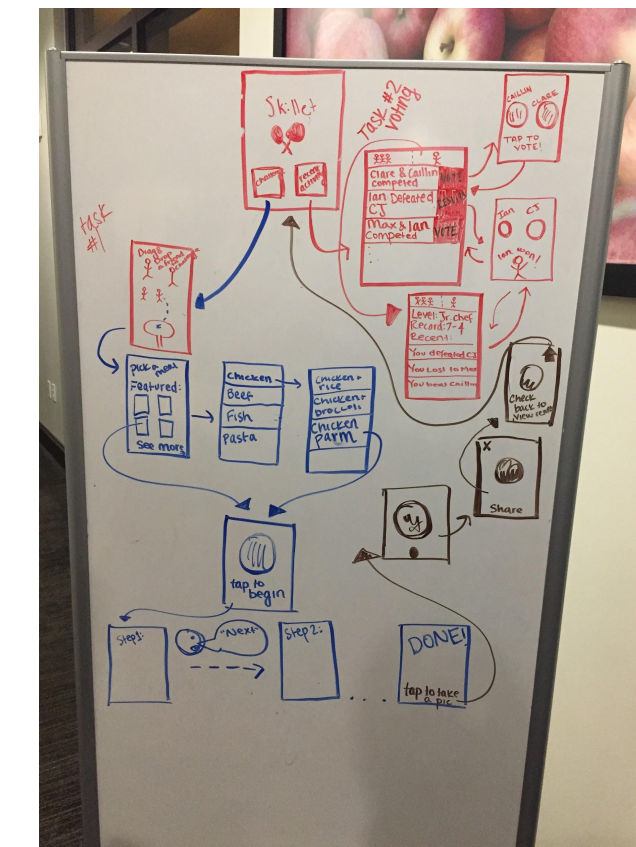

Challenge a friend to cook a recipe

Share a picture of the completed meal

Vote to determine a winner
