

Pebble

"Learn more for your growing family!"

PROBLEM

Partners of pregnant individuals struggle to know what to do and expect due to the overwhelming amount of information scattered across the web, and as a result—feel disconnected from the pregnancy.

SOLUTION

A one-stop shop for all info on supporting your partner and unborn child, Pebble streamlines this process in a digestible, engaging, & effective way.

TASKS

SIMPLE

Get information on the most important things to know about pregnancy in an engaging way

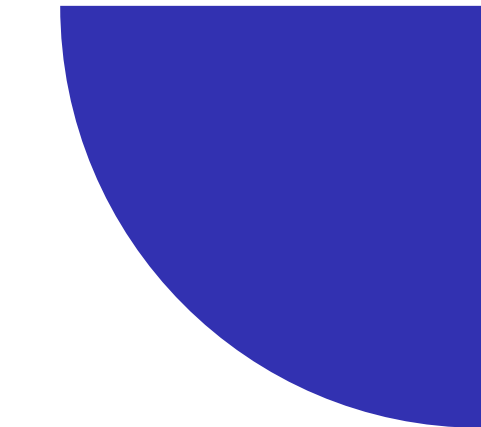

Understand your learning progress to build confidence

MODERATE

Personalize your recommendations by providing individual background

COMPLEX

Complete different categories of recommended relevant tasks, including emotional well-being practices and logistical tasks, offline

Video Storyboard
