

Peekaboo! 30 Second Pitch

When's the last time you called your parents?

That's what I thought.

We know we should, but when we travel or are busy, sometimes we just forget. Peekaboo is a platform to quickly check-in with loved ones at once. Click one button to share your status with friends and family. Show how you're feeling with an emoji. Add photos and minigames for some extra flavor. Whether you're rushing to your next meeting or sightseeing in Greece, your next check in is just 3 taps away. Stay safe, stay connected, stay checked-in. With Peekaboo.
