# Cherry
## Cherish your long-distance relationships, *everyday*

## Problem

Long-distance relationships often become **weak** because people grow busy and find it hard to have **personal conversations** online.
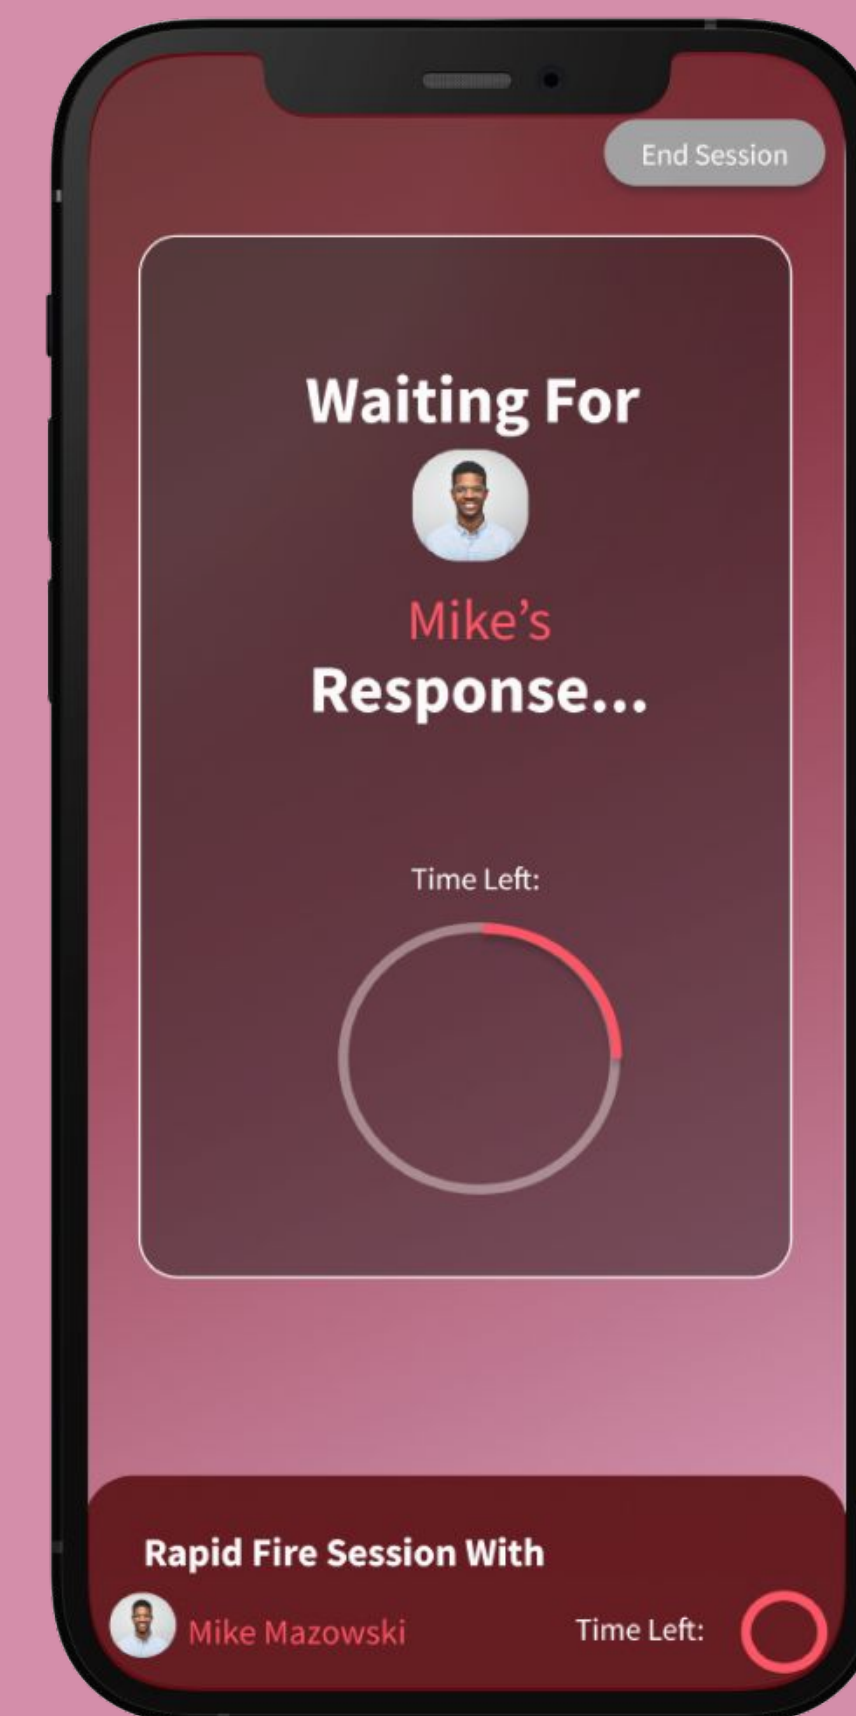

## Solution

Cherry allows users to respond **quickly** and **creatively** to auto-generated questions that create **thoughtful** and **intimate** conversations.

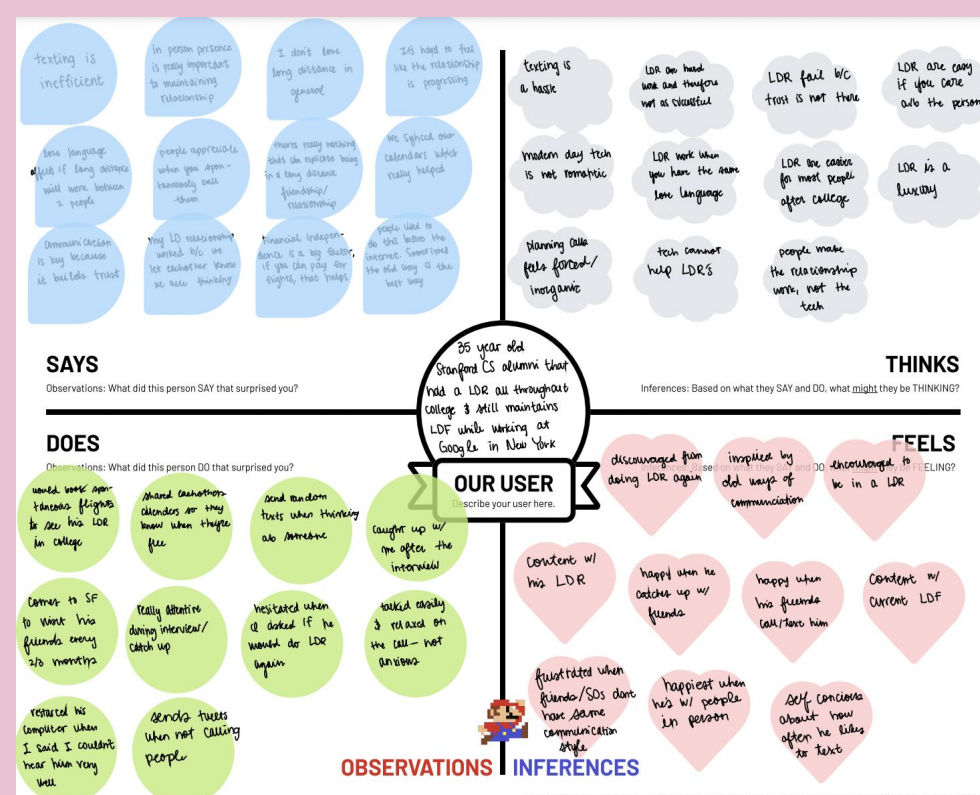

**Send Daily Questions**

**Respond with Creativity**

**Engage in Rapid-Fire Question Sessions**

# Design Process

### Needfinding

### Prototype Sketches

### Low-Fi

### User Testing

### Medium-Fi
