Value Proposition

Bad Days, Good Days: All Careers Have Them

Be well informed of your career path

Problem

People don't have enough information outside of their network regarding the positives and negatives of jobs.

Solution

Provide a platform to read, share, and interact with stories of personal experiences for different careers.

Simple Task

Research about careers through stories of good and bad days on the job.

Medium Task

Allow the user to share stories that they agree with or find helpful.

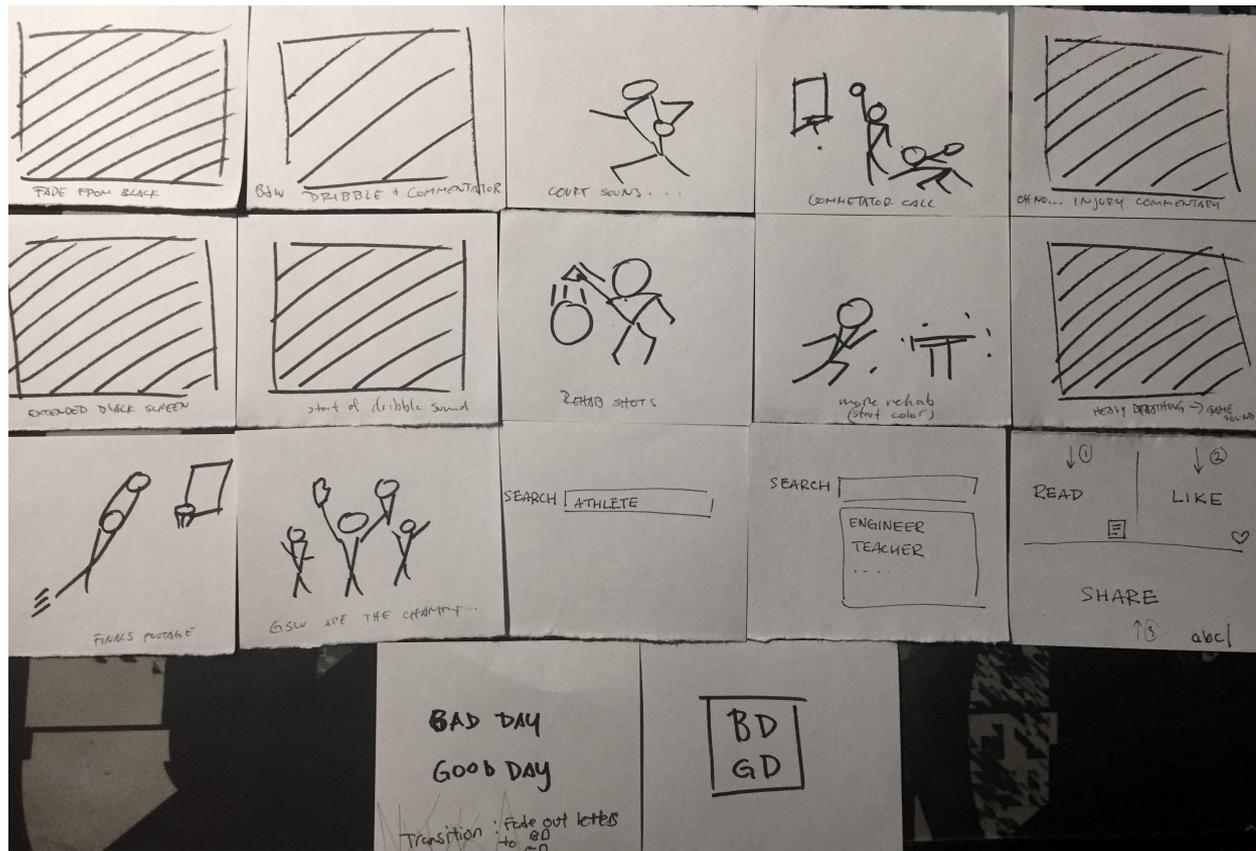

Complex Task

Submit stories of personal experiences for other people to read about and learn from.
