

Point of Views (Team)

Due: Monday, April 11th, by class (initial POVs)

Due: Wednesday, April 13th, by class (revised POVs)

Overview

In this assignment you will develop several point of view (POV) statements based on your needfinding.

Requirements

1. Read pages 21-24 about POVs in the BootCamp BootLeg at <http://bit.ly/dthink15>.
2. Write at least 10 different POV statements based on your needfinding.
3. Select the 3 best POV statements based on POVs that you think will lead to a potentially interesting project
4. Be ready to present your list of initial 3 best POVs in class on Monday, April 11th. Slides should include:
 - a. Project Title & Names of Team Members (First Name and Last Initial)
 - b. **3 top POVs**
 - i. (We met.. we were surprised to discover... because ... It would be game changing if..."
5. Based on feedback in class, revise your top 3 POVs and submit the materials (**presentation slides**) by Wed at class.

Grading Criteria

- Variety of POVs (10 or more, from variety of users) (40 points)
- Quality of top 3 POVs (context of user, interesting surprises, does not suggest solution) (60 points)
