

Society's Disconnect from Nature

mömo

Cathy Wang, Chloe Thai,
Julea Chin, & Sara Olsson

#1 - Natural History Museum

- ❖ “Ignorance of nature leads to a lack of interest”
- ❖ “Collective ignorance ultimately leads to collective indifference”
- ❖ “Children who disconnect from nature... are less healthy and generally have a lower quality of life”

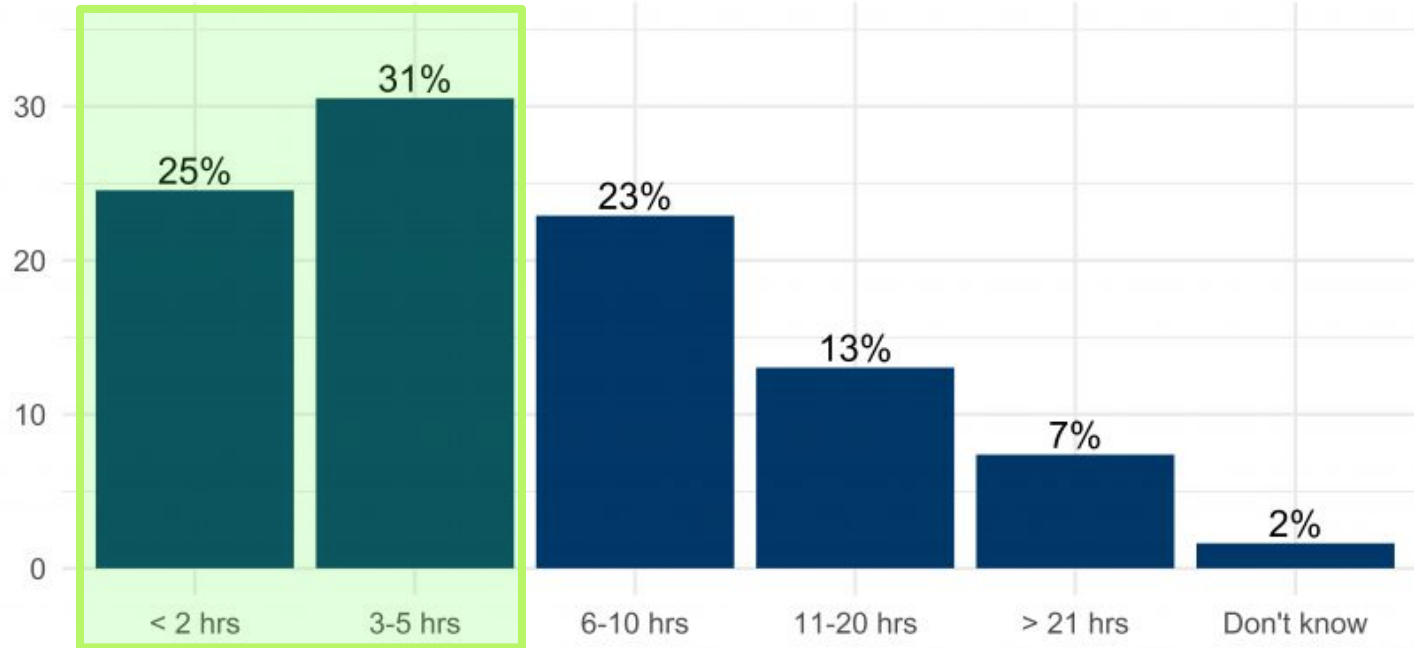

#2 - Nature of Americans

American Adults Report Spending Little Time Outside Each Week

Over half of American adults report spending 5 hours or fewer outside in nature each week. Over three-quarters spend 10 or fewer hours.

#3 - Expert Interview - Elise Miller

- ❖ Meaning of “nature” differs per person
- ❖ Consider both living and non-living elements
- ❖ PEWI web tool helps people understand human - landscape interactions and ecosystem service tradeoffs
